ERITREAN MARTYRS' DAY OBSERVED IN LOS ANGELES AND ORANGE COUNTY

Hundreds of Eritrean American residents of Los Angeles and neighboring cities gathered at a park in Hawthorne, California (USA) on Saturday, June 23, 2013 to honor Eritrean Martyrs on the occasion of Eritrean Martyrs' Day. The event featured an observance of a minute of silence and the children-led singing of the Eritrean national anthem. Following the walk around the park by the candle carrying crowd a recording of H.E. President Isaias Afwerki's speech made in Asmara, Eritrea, on June 20th was played and a message from the Eritrean Embassy in Washington DC was read. Moreover, several participants, both young and old, read poems and made speech honoring our martyrs. A dozen and teens and pre-teens wrote messages addressed to our martyrs, attached them to balloons and released them to fly up in the sky. Furthermore, reports were given by the Mekete group as well as the Association of Martyrs' families' sponsors for Los Angeles county, which has been sponsoring 50(fifty) families of Martyrs. In addition, some of the children that gladly took up the challenge of using piggy bank to raise money for the Martyrs' Trust Fund presented their collections, promised that they will do the same next year and urged others to follow suit. The participants renewed their commitment to make duly contributions towards national harmony and the national development projects underway in the country.
