

Chapter Launched: YPF DJ Mannheim

Report - YPF DJ Germany - 02.10.2013

Exactly a year ago, an information event for young people from Mannheim and the area was held in the city of Mannheim on 15.09.2012, whose aim it was to explain further the young general information Eritrean society and their integration in Germany, as well as the cornerstone of the political youth organization YPF DJ.

After a successful year with regular meetings, active participation in local social activities as well in the 9th Euro YPF DJ conference in Birmingham (UK), there was last Saturday the 28.09.2013 a re-encounter with the active youth group.

Issues related to the preservation of national sovereignty of Eritrea and the organization of the German-Eritrean youth in Mannheim and its surrounding were subjects of the day. Through the representation of some founding fathers of the Eritrean community in Mannheim, the day was particularly weight. With the statement that a community has a future only if one educates and mobilizes the offspring, the need of the chapter was highlighted and the pride of the youths' progress was described as the seed of the harvest for the future.

With the representation of the board of YPF DJ Europe Central Committee, National CC, as well as the directors of the PFDJ German Subbranch, the Chapter YPF DJ Mannheim was at the end of the day, unanimously established on 28.09.2013.

In this way, all the best and good luck!
