Eritreans of San Jose and environs yesterday conducted a Candle Light Vigil in memory of our brothers and sisters, along other citizens, who lost their young precious lives in Mediterranean Sea and Sinai Desert and also inside refugee camps of Ethiopia. After a minute of silence to those who lost their lives in the continued tragedies and a brief summary of the occasion, from the Eritrean Community Center's Chairman, and also sharing the media information towards the magnitude of this illegal Human Trafficking and wanton destruction against the people of Eritrea, residents shared their grief and comforted one another to extend condolences to family and friends who have lost loved ones. Our Community Center sincerely believes that this continued death and destruction would come to an end once the people and government of Eritrea come together, stronger than before, to resolve this crisis.

May our brothers and sisters, along the other citizens, Rest in Peace !

Eternal Glory to our Martyrs !   Victory to the Masses !
