

Important announcement from Eritrean Community Cultural Civic Center of Oakland

The ECCCC of Oakland, in an effort to satisfy the wishes of its community bought a spacious community Center. In order to help reduce the expenses of this newly purchased building, ECCCC planed two months prior to the tragic accident in Lampedusa that has claimed so many Eritreans with the help of the Eritrean cultural troupe Salina that came all the way from back home for October 26th 2013. This tragic incident in Lampedusa has brought so much anguish and heartache on all of us Eritrean. Thus given this great sorrow we all fell for the dearly departed, the survivors and the family of the deceased, this pre-planed event of October 26th with Salina Band has been postponed for another day yet to be announced.

Efforts to retune the remains of our brothers and sisters to their final resting place in their birth place of Eritrea with great diligence of the Government of Eritrea and its people has not been concluded as of yet. Nevertheless, Eritreans residing in Italy have designated Monday October the 21st as a day of internal prayers for our dearly departed brothers and sisters and while commanding them for their initiative to remember and mourn them, we say to them that we are all with you. We would also like to take this opportunity to let you know that have our own internal prayer service at our ECCCC of Oakland CA.
