The Annual YPFDJ & PFDJ II Conference in North America was held in Washington D.C. between August 28th 2014 and August 31, 2014. The conference was held under the theme of "Culture and Identity". Several chapters prepared cultural performances which added color to the event and created a lively environment.

Young Eritreans came from all corners of North America to participate in the 10th Anniversary of the movement. More than 27 YPFDJ and PFDJ II chapters across North America came together to discuss their progress over the year. Mr. Yemane Gebreab on his part gave a brief update on current affairs and answered questions from the participants via phone.

This year's conference was especially unique given it was the 20th anniversary of Sawa and because of the participation of our dear friends, Mr. Glen Ford, Dr. Charles Cantalupo, Mr. Emilio De Luigi, Mrs. Rosieda Shabodien and Dr. Samuel Mahaffy.
