

# Martyrs' Day – 20 Sene 2015

Eritrean Community in Minnesota

**WALKATHON**

The Eritrean community in Minnesota is organizing a Walkathon on June 20<sup>th</sup> 2015, to pay tribute to those Eritreans who gave their precious lives for our country's liberation, defending our national sovereignty and territorial integrity. On Saturday 20th of June, Minnesotans are walking from different locations of the greater twin cities area and will join the traditional candle light vigil program at the Community Center.

The walk-a-thon will be a great opportunity to raise consciousness and share our martyrs' great history with our youth and the general population. If you would like to participate please look at the attached documents for the starting points of the walkathon. There are four starting points A, B, C and D, which are 12, 4, 6 and 4 miles respectively. All points will converge at Community Center. See the starting location and time below. If you are unable to partake in the walkathon, you can show your support for those walking by sponsoring their walk. All proceeds from sponsorships and contributions will go towards the Martyr's fund, to assist the families of the Martyrs. A t-shirts reflecting Martyrs' day is being prepared, please let the coordinator know your t-shirt size.

Please join us for a candle light vigil at the community center at the conclusion of the walkathon. The Martyrs program at the community starts at 5:00pm.
