

Report on Eritrean Public Forum: San Jose CA March 29, 2015

Under the title of, “Eritrean Public Forum”, an enthusiastic meeting was conducted in San Jose, CA, to build: a common understanding on Eritrea’s national guiding principles and shared visions; the purpose of National Council of Eritrean Americans; and inform the process of new Identification Cards. The forum started in providing background of Eritrea’s overall progress and recent political, economical & social development from Mr. Elias Amare who came from Eritrea recently. Eritrea’s national guiding principles and shared vision was elaborated extensively to a level of great reception.

Update and structure on the National Council of Eritrean Americans (NCEA) was given by Mr Daniel Woldu while the process of the new Eritrean Identification Card was presented by Mr Yemane Ghebreab. Question and answers followed the presenting of all the topics to participants satisfaction.

In a related topic of Hizbawi Mekete, participants appreciated the Global Action Day, involving Bike Riders, to be held in Europe, on April 13, 2015 and contributed \$1000.00 in support of the task.

The forum ended with a minute of silence to remember those who gave their lives so we can proudly call Eritreans.
