

# African American Demonstration Against Racism

## “Christmas-in-The-Park” - San Jose, CA

As we might have heard from Change.Org or otherwise, African American vendors of the annual “Christmas-in-The Park” are contesting the unfair practice, done by the administration, for singling them out and replacing them with others. As a continuation of this fight against racism, these vendors are staging a demonstration against the administration, this Friday, during the “Christmas-in-The-Park” opening ceremony where Mayor of San Jose, District 3 Councilmember and other dignitaries will be present. Please support this fight against racism by participating in this demonstration and by signing in Change.org petition, if you didn’t do so already. The demonstration will be held this Friday, November 27, 2015, from 4:00 PM to about 5:30 PM. Thank you for your support.
