

THE IMPENDING ERITREAN CONSTITUTION LEGAL REQUISITE ON THE DOGS BARKING

It is evident that the Eritrean People are waiting eagerly and with confidence, the proclamation of the Eritrean Constitution. The Eritrean People has full trust on their courageous and intelligent Government and that the Constitution will be absolute and unambiguous.

What I wanted to point out here is that regarding those who committed treason against the People of Eritrea and the Country, those who betrayed and sold out the country to fill in their Pockets, the Constitution should set out a clear uncompromising Code. These traitors have spied for imperialists and became stooges of Weyane. They kneeled down and sold themselves to Weyane and their Masters to open war again on Eritrea, invade Eritrean Territory, as if the 20000 Martyrs are not enough. These traitors conspired with America and Weyane, to nullify our freedom and bring Eritrea back under the yoke of Ethiopia. The hands of these traitors are soaked with the blood of our twenty thousand young martyrs.

The Constitution of Eritrea should make no mistake that these traitors should be brought to Justice. Certainly, those in Diaspora will never have the guts to come to Eritrea and face Justice and should be sentenced in Absentia. These traitors who waged war to destroy the hard won struggle and did everything to devastate the People of Eritrea, should be **STRIPPED OF ERITREAN CITIZENSHIP. THEY ARE NO MORE ERITREANS. THIS IS AN INTERNATIONALLY ACCPTED MEASURE.**

It is sickening and sheer defamation to hear the interview made over the VOE Washington D.C., by the old and new traitors, **Assefaw Tekeste** and by **the name of Shengeb (a nobody in the struggle for independence and an embezzler)**. These traitors and their bedfellows: **Bereket Habteslassie, Paulos Tesfaghiorgis, Ali Abdu, Andebrahan Woldeghiorgis** and their recruits are still barking. The answer to these barking dogs is as always, the dogs bark, the caravan moves on. Through lies, you will never come up to your dreams.

Assefaw Tekeste has never shed off his class of bourgeoisie. He harbored his bourgeoisie in the struggle. He is still living in his days of **MISLENE**

BAHRI/MISLENE ADI, the Peasant/Landlord relationship, in the days of Ethiopia's rule. He was educated with the tax paid by the peasants. Also after Independence, he went to America to further his studies with tax paid by the Eritrean people. SHIFTAS ARE THOSE WHO TAKE FROM THE PEASANTS.

What is said about **Assefaw Tekeste**, is also said about **Paulos Tesfagiorgis**. These traitors have a dream. These egoists are in such conspiracies, because in Eritrea they did not get what they wanted to get or Eritrea did not go to the direction of their masters. They are still dreaming, WAYANE start war against Eritrea, to bring them to the Throne. We will see if these egoists, will take with them, **the blood money of the Eritrean Patriots** they received from their masters, when their time to leave this world comes.

Their masters tried everything to derail our independence. They tried to divide the people of Eritrea by religion, by ethnicities, by region, you name it, even trying to poison our leaders. While they saw no fruits of their conspiracies to date, the traitors are now given the assignment of character killing strategy, namely our brave President. **You traitors, you are barking hiding in the dark, but the President is in the battlefield, fighting for the sovereignty and dignity of his country and his People.** Whether you like it or not, it is not you or your masters or weyane, but the people of Eritrea themselves, who choose which government they want to have.
