Please attend the Hizbawi Mekete Seminar to be held on Saturday, January 16, 2010, in rejecting the recent Shameful Sanction imposed upon Eritrea, by the awkward and impotent UN Security Council on December 23, 2009, a systematic sabotage imposed for the second time in our history.

In light of the UN's Rule of the Jungle, in Woyane's continued occupation of our sovereign land, the Seminar will be an eye opener to learn what the sanction really meant to our national security and to be informed who the real culprit behind this unwarranted and unjustified sabotage against our motherland.
