

# *Let it be*

*(Considering the dogs and fugitives of Asmarino, Awate, Assena, and nHarinet)*

*Let the prostitutes of "Asmarino"*  
*sleep where they may,*  
*Agents of the enemy*  
*sell out to sway,*  
*Let the "Awate" dogs bark*  
*from where they eat and stray,*  
*Tails between their legs*  
*hauling from far away.*  
*Let the "Assenna" fugitives fabricate*  
*to forsake and betray,*  
*Like father like son*  
*rationalizing dismay.*  
*Let the "nHarinet" crows rove*  
*as Old World destructive jay,*  
*To disruptt Eritrea*  
*Our Independence ray.*  
*Let the defense mechanism be*  
*the opportunists' hay,*  
*To paint the Somalia's loss*  
*the crime committed assay.*  
*Let the Afro mercenaries pop up*  
*in African Union tray,*  
*With Western food-aid donors*  
*in democracy clay.*  
*Let the mercenary mafia make a front*  
*in a desperate forceful lay,*  
*To defeat Eritrea*  
*in its final day.*  
*Let the UN responsibility*  
*stinks and sinks on the gray,*  
*The "UNFAIR" "UNJUST" sanction*  
*the Susan Rice way.*  
*Let Westerners sabotage*  
*under the UN play,*  
*Insult to injury*  
*to make us the prey.*  
*Let the Commission's Rule*  
*brainchild of USA,*  
*In Rule of the jungle*  
*decompose to delay.*

*Let the US policy renegade  
the root cause of the fray,  
Devoid of justice  
our overdue pay.  
Let Obama resuscitate  
the old "War on Terror" play,  
In the name of Africa  
the Black baboons' hurray.  
The camel absolutely will march  
in justified time and day,  
Fruit of the martyrs  
the bestowed frey,  
slow but steady Gobiye,  
We will never knell down to injustice,  
It is a no no regression,  
the martyrdom nay nay.  
Against all the odds,  
Eritrea will shine and stay.*

*"Justice", "Freedom", and "Liberty" for all !*

*Eternal Glory to our Martyrs !  
Wetru Awet n'Hafash !*
