ከግንባታ ስሜት ለምዕራባዊ ሃብታምን አ.ዩ

Eritrean people have faced many challenges to achieve independence. Many brave nationals sacrificed their precious lives. We Eritreans succeeded in achieving our freedom and we have to work hard also to alleviate poverty. Today's infrastructural works will undoubtedly ensure our bright future and all nationals inside as well as out side the country have to play their role in the development campaign. It is our home land, we brought everlasting freedom and we are determined to bring everlasting prosperity and development as well.
