The family of Nathan Zecharias wishes to express sincere gratitude and appreciation to our loved ones, family and friends during this time of bereavement. Our beloved son Nathan departed from this world on 13th April 2020. To all those that came to the funeral and gave us strength, help and courage; we give thanks. We also give thanks to all the churches, the residence of New Orleans and its environs, Eritrean community of New Orleans, Community of Ethiopia, and those who called and attend virtual service on line from far and near to help and console us during this time of deep grief. For all that was done in thoughts, words or deeds, especially during this time of covid-19, we're sincerely grateful from bottom of our hearts.

God Bless each and every one of you!
